The *Stengel State Habitat Area* is made available to our club members by the property owners, and CWGC's continued use of the facility is recognized in the Conservation Easement title.

Your membership allows for free access to both the lower and upper portions the Stengel Gun Range. Please be advised that as a member you are a steward of the land and all facilities thereon, with upkeep and improvement being the continuous goal of Colorado West Gun Club. In addition, our members are expected to be ambassadors of the shooting sports; Striving for safety, integrity, courtesy, education and the inclusion of all who wish to partake in the shooting sports.

We hope you will join us in supporting the shooting sports and enjoying your membership with fellow enthusiasts. Your comments, suggestions and input are always appreciated.
